

## Important

All currently operating personal services business owners/operators must complete and sign the following checklist indicating that you have reviewed the State of Rhode Island's general and personal services guidelines and have completed the COVID-19 Control Plan template.

The following poster should also be completed and then displayed in an area within the business premises that is visible to employees and visitors. Thank you for your efforts to get back to business while keeping Rhode Islanders safe.

# REOPENING RI

## Welcome! We're happy to see you.

Please know that we take our responsibility to keep Rhode Island safe very seriously. Be assured we have taken the following steps to comply with state regulations:

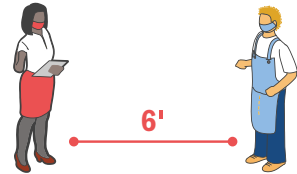

Prepared our space to reopen and operate under enhanced COVID-19 guidelines.

Cleaning daily and cleaning high-touch surfaces frequently and between each client.

Employees are wearing masks and we've put social distancing measures in place.

Screening all entrants for symptoms and risk factors of COVID-19 and asking any client experiencing symptoms to reschedule their appointment.

Developed a COVID-19 control plan.

**We ask you to do your part as well by wearing your face mask and maintaining social distance. Thanks -- and we hope to see you again soon.**
