

REOPENING RI

Updated 06.22.20

COVID-19 Child Care Provider Directory

*As of June 1, 2020, licensed child care programs received individual approval from the RI Department of Human Services to reopen under new, emergency regulations in light of COVID-19. BrightStars, Rhode Island's Tiered Quality Rating and Improvement System (TQRIS) and colleagues from the Rhode Island Association for the Education of Young Children (RIAEYC), offer a child care referral line that focuses on linking families to quality child care providers. Call BrightStars at **401-739-6100** or **1-855-398-7605** to speak to a Referral Specialist who can help you to identify child care providers in your area who are accepting new families. In addition to assisting families in their search for quality child care, RIAEYC partners with the United Way 211 to support families in accessing other community supports.*
