

# REOPENING RI

## Rules to keep you safe at work

### Returning to work

Stay home if you're sick; return to work only when cleared to do so.

**If you're unable to work because of COVID-19, learn more about these resources that can enable you to stay home and still receive pay:**

- Pandemic Unemployment Assistance (PUA) — administered in Rhode Island by the Department of Labor and Training; apply for PUA at: <https://covidemergencybenefits.dlt.ri.gov/>
- Paid Sick Leave through the Families First Coronavirus Response Act (FFCRA) — determine your eligibility at: <https://www.dol.gov/agencies/whd/ffcra/benefits-eligibility-webtool>
- Paid Sick Leave through the Rhode Island Healthy and Safe Families and Workplaces Act — find more information at <https://dlt.ri.gov/documents/pdf/ls/HSFWfactsheet.pdf>

**If you're unable to benefit from public programs and emergency relief efforts due to your immigration status, the WeR1 Rhode Island fund could help. Visit [www.diiri.org](http://www.diiri.org) for more information.**

### At work

Complete daily COVID-19 symptom screenings before entering your workplace.

Wear a clean cloth or surgical mask over your nose and mouth.

### Interacting

Keep six feet of distance from others at all times.

Stay behind any shield that is meant to be between you and customers.

Keep in-person interactions to small groups.

Avoid communal areas.

### Hygiene

Clean and disinfect shared surfaces before you use them.

Wash your hands frequently with soap and water.

If unavailable, use sanitizer with at least 60% alcohol.

Avoid touching your eyes, nose and mouth.

Cover coughs and sneezes with your elbow or with a tissue you throw away.
