

REOPENING RI

Wear a mask that protects you and others

A mask MUST be worn here—at all times.

Wearing a face covering in public places helps protect you and anyone near you from COVID-19. **Your mask should fit snugly but comfortably over your nose, mouth, and chin without any gaps.**

RECOMMENDED

- **Face mask** worn the right way and at least two layers thick
- * N-95 respirators are critical supplies that should be reserved for healthcare providers and other first responders

NOT RECOMMENDED

- **Face shield** alone
- **Loose-fitting bandana**
- **Face mask with valve**
- **Face mask** worn the wrong way
- **Neck gaiter** only one layer thick

Masks should not be worn by children younger than age two, anyone who has trouble breathing, or anyone who is unconscious, incapacitated, or otherwise unable to remove the mask without help.
